St John's Church, Kingston

We need your help with our Heritage Lottery Application!

St John's is applying to the Heritage Lottery Fund for a grant to encourage interest in the heritage of our area, and to fund necessary repairs and improvements to our church that will make it a well-equipped, vibrant community hub. Our application is focused on the Victorian history of the Spring Grove and Mill Street estates and later developments throughout the parish.

We'd be grateful if you could take a few minutes to complete this questionnaire. Your comments are important to us and will help us develop ideas for our application.
